# Supplier Partnership Overview

Supply Inquiry — Whole Milk Powder & Nonfat Dry Milk for the Prairie Queen® brand

ALAISA CORP • MIAMI, FLORIDA • JULY 2026

# The Prairie Queen® Brand

Alaisa Corp is a U.S. dairy-foods company and commercial distributor headquartered in Miami, Florida. Prairie Queen® is our premium powdered-milk brand — produced entirely from milk sourced from U.S. dairy producers and packed at our FDA-registered facility, Tripolac Corp, in Miami.

## Proudly Made in the USA

100% U.S.-sourced milk, packed in Miami

## Clean label credentials

Kosher certified · rBST-free · GMO-free · no additives

## Trilingual packaging

English, Spanish and Arabic consumer packs

## WHOLE MILK POWDER

26% milkfat · 1 kg pouch · 12 bags/box  
12-month shelf life · ~7.5 L prepared per bag

## NONFAT DRY MILK

1.25% fat · 1 kg pouch · 12 bags/box  
18-month shelf life · rich source of calcium

# Market Traction & Growth

100+

South Florida supermarkets currently stocking Prairie Queen®

3

leading regional banners: Winn-Dixie, Sedano's, Fresco y Más

5

expansion states in execution: TX · NM · CA · NY · NJ

## Domestic expansion

Established in South Florida grocery; now executing entry into Texas, New Mexico, California, New York and New Jersey — anchored by high-affinity Hispanic and international grocery channels.

## Export development

Export program built with the USDA Foreign Agricultural Service (FAS), SUSTA and the U.S. Dairy Export Council — targeting GCC countries, Latin America and the Caribbean.

# What We're Looking to Buy

## Products

Whole Milk Powder (~26% milkfat) and NFDM/SMP — Grade A, low-/medium-heat preferred

## Volume

≈400 MT over the first six months (~70% WMP / 30% NFDM), scaling toward 200 MT per month

## Packaging

Bulk format for re-packing — 25 kg multi-wall bags and/or food-grade totes

## Terms

Quotation on an EXW basis; open to fixed-price or indexed forward arrangements

## WITH YOUR REPLY

- Current EXW quotation
- Product specification sheets
- Certifications (SQF, Kosher, Halal)
- Minimum order quantities
- Typical lead times
- Standard payment terms

*Mutual NDA and company references gladly provided.*

# Why Partner With Us

## Committed, growing volume

A consistent monthly buyer with a defined scale-up path — not a spot shopper. Forward coverage of a rolling six-month requirement.

## Straightforward process

Mutual NDA, company references on request, and a single decision-maker as your point of contact.

## Expanding demand base

New U.S. retail markets in execution plus export lanes to the GCC, Latin America and the Caribbean in development.

## A showcase for U.S. dairy

Your powder reaches shelves as a branded, Made-in-the-USA consumer product — in three languages, at home and abroad.

# Next Steps

1

## Share your EXW quotation

with spec sheets, certifications, MOQs, lead times and payment terms

2

## A 15-minute introductory call

to align on volumes, logistics and a supply calendar

3

## Samples & supply agreement

product evaluation, mutual NDA, then a first purchase order
